

renessaince sketch book

**veronika galovská**

inspiration

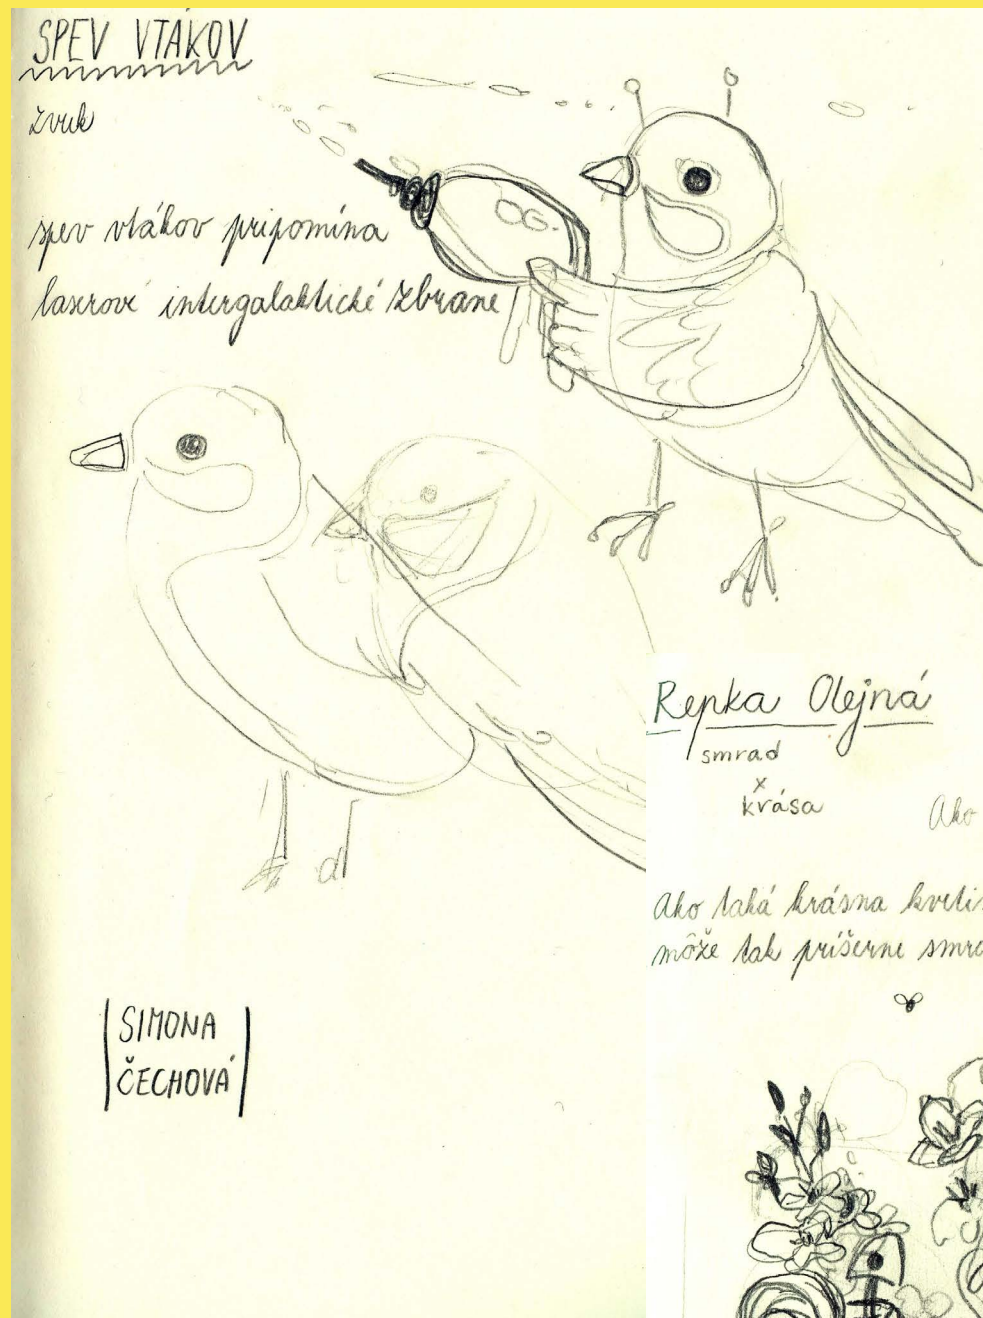

i inspire by leonardom da vinci and his skethbook. my project is  
focused to observation of the outside world

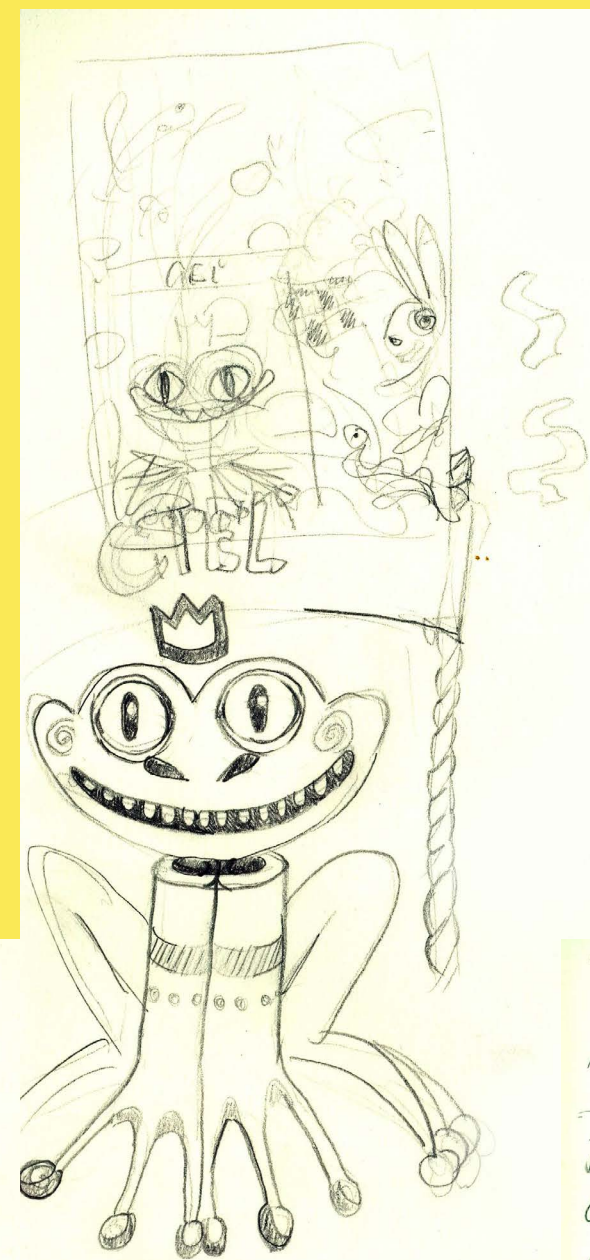

i noticed that i don't looking around and decided to chanchced it. i try  
to change things around me to illustrations. i created sketchbook.  
i use different illustrators as a inspiration for my work.

smrad  
krása

Ako nakresliť šápach?  
Ako taká krásna kvetina  
môže tak príjemne smrdieť?

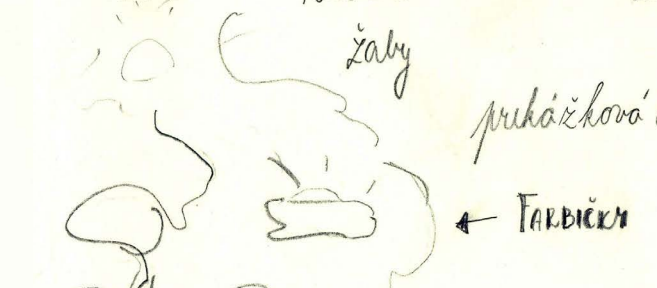

Ružové nechty - | CRYSTAL |  
tety predavacky | KUNG

Teta predavačka vyzerá  
ako vrah a drogový závislák  
ale je to tá najmilšia osoba  
na svete. A má ružové NECHTY!
