KEYFRAMEŮ

The screenshot shows the Adobe After Effects interface with a composition named 'crazy1.aep'. The timeline at the top indicates a duration of 0:00:07:21 at 30.00 fps. The composition contains 24 layers, including various video clips, text, and effects. A large, bold, black text 'OH NO' is overlaid on the right side of the composition area. The layers are listed in the left panel, with properties such as Position, Scale, and Rotation visible for several layers.

After Effects error: Crash in progress. Last logged message was: <9480> <UnconstrainFPSIfAppropriate> <5> Setting ADBEVideoFPS constraint off

OK

The screenshot shows the Adobe After Effects interface with a timeline from 0:00 to 13s. The composition contains several layers, including 'csgo', 'Shape Layer 7', 'Shape Layer 6', 'crash', '[wheel]', '[nēco]', '[sonic]', '[marge]', '[donkey kong]', '[Mrs Bouvier Green Screen.mp4]', and 'nēco jinéhp'. A large, bold, black text 'OH NO' is overlaid on the right side of the timeline.
