Hello,

We invite you to the 6th international student's videomapping festival MASKA, which takes place in May 6, 2020 in the premises of the Bata Institute 14 | 15 in Zlin. The festival is organized in collaboration with HUCOT, Zlin Design Week and Regional Gallery of Fine Arts in Zlin in cooperation with Tomas Bata University in Zlin.

OPEN CALL

You have an opportunity to participate with your own movies and to gain valuable prizes but also some fragments into your portfolio. The competition is limited to students and academics. You can take part in it as individual or in team of max three members.

You have a unique opportunity to realize your work on one of the biggest permanent mapping surface in Europe. The screen size is 69 m x 9.5 m and the whole projecting screen is made by using of 5 projectors to the final resolution of 4096 x 605 px. The length of your movie should be in the range 1 - 3,5 min.

Sign up online at www.festivalmaska.cz/en/ registration till April 30, 2020.

On the website you can also find more information and downloads. The deadline to submit your work is May 3, 2020.

At the event after the projection of all movies the jury will choose the best one who will be awarded.

Feel free to try your skills and luck!

We are looking forward to your work,
