Chuck Taylor

BLACK canvas \$50.00

He haunted Seattle's music scene,
withdrawing into its grit and grime.

He thought some of it made sense, but most of it didn't.

So he turned to the only thing he knew for sure: his own music.

Soon it became clear: the inspired songwriter with scruffy hair
and stormy eyes had taken the underground grunge movement
mainstream. Distressed canvas upper with Kurt Cobain signature.

— — — — —
Metallica tore up the '80s music scene

— — — — —
with a new and aggressive style

— — — — —
that was antithetical to the excess of rock music at the time.

— — — — —
Relentless, heavy and hard, Metallica not only pioneered metal

— — — — —
but became one of the genre's most influential bands of all time.
